Sir:

Applicant petitions the Commissioner under 37 CFR 1.102(c) to consider to make special and to grant an advancement of Examination to above-identified patent application. No fee is required for this Petition.

BACKGROUND

The inventor/applicant for the above identified and enclosed patent application is 76 years of age. Under 37 CFR 102(c) an applicant may file a petition such as this one to advance prosecution based on the applicant's age. As the applicant/inventor is over 75 years of age, the granting of such a petition is appropriate.

REQUESTED ACTION

Applicant requests that Applicant's patent application be made special and be granted an advancement of examination based on the applicant/inventor being over 75 years of age. Therefore, Applicant petitions the Commissioner to:

1. Make Applicant's Patent Application special; and
2. Grant Applicant's Patent Application an Advancement of Examination.

DECLARATION

The below-signed attorney declares that he is the applicant and inventor for the above identified patent application, that all statements made herein of his own knowledge are true and that all statements made herein on information and belief are believed to be true, and that he understands that willful false statements and the like are punishable by fine or imprisonment, or both (18 USC 1001), and may jeopardize the validity of the application or document or any patent resulting therefrom.

CONCLUSION

If the USPTO has any questions regarding these documents or this patent application, please contact the below-signed attorney of record.

Respectfully submitted,

Golden S. Hinton
